MEMORANDUM FOR: Colonel White

SUBJECT : Plans, Programs and Projects

1. Proposed Regulation No. [REDACTED], Submission of Annual Programs to the Project Review Committee.

25X1A

25X1A9a

a. Concurrences have been received from all interested offices. [REDACTED] was not on the original routing but has subsequently indicated, "Regulation No. [REDACTED] seems to me satisfactory as it stands."

25X1A

b. Paragraph 3.a.(3) has been amended at the request of the Director of Training to include training requirements.

2. Proposed Regulation No. [REDACTED] Submission of Projects to the Project Review Committee.

25X1A

a. There were no changes in the body of the regulation during the coordination process.

b. There were some suggested changes in regard to the Project Outline, Figure 1.

c. Paragraph 2.

1) "OCB" now is used rather than "PSB."

d. Paragraph 10.

1) Subparagraph b. was added at the request of the Director of Training. It does not appear to require recoordination.

e. Paragraph 9.

1) PAPS proposed an additional paragraph 9.h. which would require a statement proposing the level of approval required to adjust between "tasks" and the percentage of deviation allowed before additional approvals were to be sought.

*Not necessary*
